

ATTENTION ALL DWA CUSTOMERS AND LANDSCAPERS:

**CHECK YOURSELF**  
GET YARD SMART

# WATER CONSERVATION WORKSHOP

Learn to use your Smart Irrigation Controller's more efficiently by attending a workshop hosted by DWA and Hunter Industries. At the workshop, we will teach you how to customize your irrigation system based on climate, temperature and evaporation rates, which will help you reduce your outdoor water use by 15 percent or more.

**LEARN HOW TO  
USE YOUR SMART  
IRRIGATION  
CONTROLLER**

**RSVP**

Vicki Petek at [vpetek@dwa.org](mailto:vpetek@dwa.org)

YOUR PARTNER IN CONSERVING

**DESERT WATER**

**THURSDAY,  
JANUARY 29, 2015**

**1:00 - 5:00 P.M. • HYATT PALM SPRINGS**

To better meet your irrigation needs, the workshop will be divided into two sessions, one for our customers and one for landscapers.

**CUSTOMER WORKSHOP: 1:00 - 3:00 P.M.**

**LANDSCAPER WORKSHOP: 3:00 - 5:00 P.M.**
