Life doesn't wait. So it's good to know that if you can't get in to see a doctor in person, you can still get a doctor's care over the Internet. Without scheduled appointments. On your terms. Without a long wait.

Commonly Treated Conditions

- ▶ Cough ▶ Cold ▶ Allergies
- ▶ Minor Rashes ▶ Diarrhea ▶ Fever ▶ Flu
- ▶ Ear Pain ▶ Headache ▶ Pinkeye

OVERVIEW

Sometimes you just need a doctor. And thanks to the Internet, you can connect to one anytime, anywhere - whether it's the middle of the night or the middle of a road trip.

Sign up for LiveHealth Online and have a face-to-face conversation on your computer or mobile device. Download the LiveHealth Online app or sign up online today at www.livehealthonline.com.

HOW IT WORKS

Just sign up and you're ready to go. Select a doctor, and he or she can answer questions, assess your condition and even provide a prescription if needed. Log in and you'll see a list of doctors available and ready to talk 24 hours a day, 7 days a week, just in case something happens.

AVAILABLE NOW

Participants using the Motion Picture Industry Health Plan ("MPIHP")/Anthem Blue Cross network may use telemedicine through LiveHealth Online. Participants will be required to pay a \$20 copay for this covered benefit and will not be required to pay additional coinsurance.

The service area includes the entire United States, except Alaska, Arkansas and Texas. This service may not be used by a participant when they are outside of the United States.

QUESTIONS?

If you have any questions, please email Motion Picture Industry Pension & Health Plans' Participant Services Center at service@mpihp.org or call toll-free to (855) ASK-4MPI (855-275-4674), from 8 a.m. to 5 p.m. PT, Monday through Friday.
