## A NEW SACRAMENTO

What's Next in California Water?

### Keynote Speaker

#### JOHN MYERS

**Sacramento Bureau Chief, Los Angeles Times**

In the Capitol, Mr. Myers steers news coverage for the fourth-largest newspaper in the nation. An authority on the Sacramento political sphere, he delivers a bird's-eye view of the gubernatorial race, state policy-and what it all means for California.

### Harriett Wieder Awardee

#### KARLA NEMETH

**Director, Department of Water Resources**

An instrumental and widely respected leader in California water, Ms. Nemeth is a driving force behind the critical policies and innovative projects shaping our water future-from a scientific approach to climate change to securing reliability through California WaterFix.
